Insurance

If you have insurance, we will be happy to file your insurance claim as a courtesy. However you will be responsible for your deductible and coinsurance at each visit. Our computer software makes an **estimate** of what your insurance will cover and **estimates** what will be your "out of pocket" portion. This is only an **estimate** and it is possible that your insurance may cover less than what is estimated. If this should happen then the remaining balance will be your responsibility to pay.

Interest Free Payment Options

We do offer interest free payment options through Care Credit. This company is not affiliated with Ozga & Roberson P.A. and we do not have any control over acceptance in these programs. We will assist you in the application process as much as we possibly can.

Financial Arrangements

Financial Arrangements may be possible. They must be made in advance, before any treatment has been started. Financial arrangements are at the discretion of Ozga & Roberson P.A. and will be handled on a case by case basis.

Full Payment Discount

We do offer a 5% discount on cash and check payments made for the full amount of the service (Not including teeth Cleaning), and being paid at the time of service for **non**-insurance patients.

Initials _____

Finance Charge

Accounts that have had a financial arrangement made or that carry a balance from one billing month to another will incur a 1.5% monthly finance charge on the carry over balance.

Initials _____

Delinquent Accounts

We will consider an account delinquent when the balance goes unpaid for 90 days without a financial arrangement in place or on accounts with financial arrangements that have defaulted on the agreed upon financial arrangement. Accounts in one of the two before mentioned conditions may be turned over to an outside collections agency for handling. A patient whose account has been turned over for collections will be responsible for all collection and court costs associated with this process. Patients who have had their accounts turned over to collections will no longer be considered active in the dental practice and will only be seen on a cash basis once the balance has been taken care of with the collection agency.

Such a reminder may be in the form of a phone call, post card, an e-mail, or any combination of the before mentioned. The patient understands this is a courtesy and that they are ultimately responsible to keep their dental appointments. If an appointment is missed without a 24 hour notice it is understood that Ozga & Roberson, P.A. dental may charge a \$45.00 missed appointment fee. Prime Time Appointments

In our practice we have found that our late afternoon (3pm and 4pm) appointments and our early morning (9am) appointments are highly sought after by our patients. If you have one of these “**Prime Time**” appointments and need to reschedule or cancel, it is very important that you give us at least a 24 hour notice. If we do not receive at least a 24 hour notice you may be subject to the above missed appointment policy, and if you miss a “Prime Time” appointment twice without a 24 hour notice to the practice we will no longer be able to guarantee one of our “Prime Time” appointments for you.

Late Arrival For Appointments

We understand busy schedules and that at times things come up that will put you into a time crunch. However; if you arrive **15 minutes** late for your scheduled appointment you may be asked to reschedule. This is done out of respect for our other patients that have appointments scheduled. We would also ask that you call ahead and let us know you are running late, and will do all that we can to still accommodate you when our schedule permits.
